## CELEBRATING FAMILY!

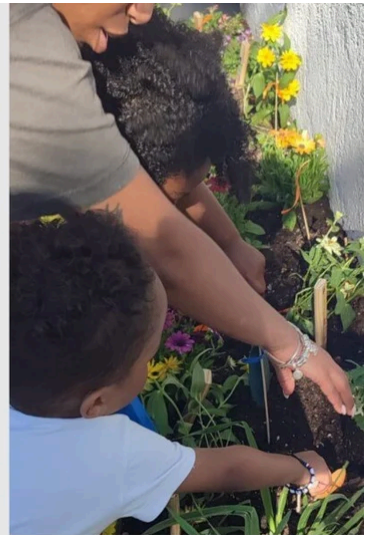

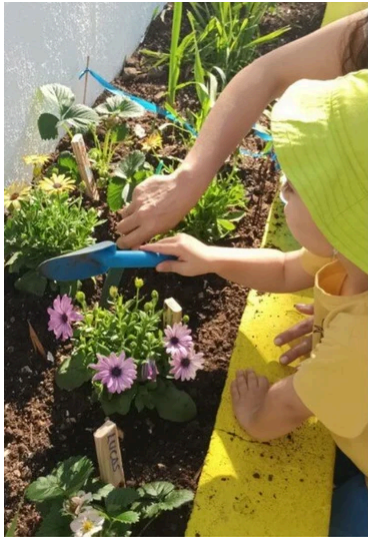

### Cultivating Bonds and a Sustainable Future!

In the month of May, we celebrated Family Month at ASSUBUD! ✨ The children engaged in various activities that helped reinforce the importance of family ties and quality time together.

Among these activities, we highlight the creation of a garden and a vegetable patch 🌻🍅. This was a special project that involved active participation from the whole family, promoting teamwork and environmental care. 🌍🌱

In this activity, each child, along with their family members, had the opportunity to plant flowers 🌸 or vegetables 🍓, providing moments of cooperation, joy, and unity. 🤝

In addition to creating the garden and vegetable patch, the children will also take care of these spaces. They will learn that, just as plants need daily care to grow strong and healthy, family relationships require constant attention and affection to thrive. This responsibility will help children understand the importance of a sustainable future, while also strengthening their bonds with their families, undoubtedly essential for their growth and happiness. 🌿❤️

## Celebration Dinner: ASSUBUD Family

The ASSUBUD team organized a special event where we celebrated the big family of our association. 🍌 From the oldest members to the newcomers, everyone shared moments of camaraderie, strengthening the bonds that are the foundation of ASSUBUD. ❤️

Each individual contributes uniquely to the collective success in fulfilling the association's mission, and this event was a way to express our deep appreciation for all the hard work and dedication shown over time, as well as to recognize and thank the tireless efforts of all collaborators. 🙌💪

It was an incredible opportunity to strengthen the bonds among the team and create unforgettable memories. 🥰🌟
